**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner who supports competitive broadband Internet service. Its very important to me to have a choice that includes a smaller company, one that is local. I do not wish to have the big telecom companies get a grip, and control all the services.

If the big companies control all the services, they basically have a monopoly and can exploit the consumer and drive away competition. That is not the American way.
